ADRIA 472PK

To tow this Caravan you will need any tow vehicle with a 50 mm tow ball, 12-pin flat trailer plug and tow capacity of 1600kg and above. When you arrive to collect the caravan, our staff will remove your tow ball and replace it with a custom tow ball that works with the AL-KO hitch used on Adria caravans. It is important not to put any grease on this tow ball.

- Adria caravans are installed with AL-KO override Brake Coupling.
- The vehicle towing the caravan will NOT require an electric brake controller to be installed.
- Caravans are fitted with a standard 12 pin flat trailer plug. Adaptors are available and will enable connection if the tow vehicle has a 7 pin round or 7 pin flat trailer plug. Please note if the tow vehicle is not fitted with a 12 pin trailer connection, the fridge and battery charger will not work whilst the vehicle is being towed.

Please ensure the height of your tow ball sits within recommended limits for safe towing. From ground to the centre of the tow ball should be between 580-600 mm high. The caravan tow level will always be slightly 'nose-down', not perfectly levelled.

Booking Alterations

At Apollo we understand that sometimes things change. If this is the case, any applicable changes made to a booking that affects the rate will be calculated by using the higher one of two rates, either the original Flex Rate or the Flex Rate current at the time of booking alteration.

The following are considered as a booking alteration:

- Change of name
- Change to pick-up or drop-off dates
- Change to pick-up or drop-off locations [DN: if there is only one pick-up and drop-off location delete]

The following are considered a new booking and cancellation fees may apply to the initial booking/s

- Change of Caravan category
- Change of rate scheme including special rates

If there are any last-minute alterations made 14 days or less before the scheduled pick-up, we will do our very best to accommodate these, however due to the short notice if the booking is shortened the number of days originally booked will be charged.

Extending a Booking

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, please contact our friendly Reservations team on 1800 777 779 who will be happy to advise if the extension is possible, and the costs associated. To

secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid at the time of extension by credit card inclusive of all taxes and surcharges, either over the phone or at an Apollo Branch. Of course, any long-term discounts in place, will continue to apply to the booking.

We will always do our best to accommodate any extensions however it is subject to availability of our fleet.

Pre-register Online

Guests have the ability to register online in advance on apollocamper.com/registernow. By completing the required pick-up information ahead of the pick-up date you will experience a smoother and quicker Caravan collection process.

Getting to and from the Airport

Our Branch is conveniently located near the Brisbane airport, making pick-up and drop-off even easier for you. You can arrange transport to and from the airport via taxi or uber.

Branch Hours and Public Holidays

Apollo Caravans are available exclusively from our Brisbane branch, the below table details the branch:

Location	Dates/Hours for Pick-up and Drop-off
Brisbane	8am to 3:30pm 7 days a week

Our staff enjoy a holiday as much as you do and our Brisbane branch is closed on public holidays for Christmas Day, New Year's Day, Good Friday and Australia Day.

Caravan Introduction and Show Through

On pick-up, our staff will provide you with a thorough Caravan show through which includes all the information you need to know about the interior and exterior features of your Caravan. At this time an Apollo staff member will also assist you with the initial connection of the Caravan to your tow vehicle and any further enquiries you may have.

The Caravan will need to be picked up from the Brisbane branch no later than 3:30pm, this ensures you will have a thorough Caravan show through, time to complete the pre-hire check list and are comfortable and confident with your Caravan before you start your road trip.

Booking Duration

A road trip allows you to travel at your own pace. To ensure you get the most out of your holiday a minimum five-day booking applies. Longer minimum booking periods may also apply during peak periods such as Christmas, Easter, Bathurst motor racing, etc. Any applicable longer minimum booking period will be advised at time of booking.

Travel Restrictions

Caravans are not suitable for all driving situations. For the safety of guests, Caravans can only travel on sealed roads or well-maintained access roads which lead to recognized campgrounds and are less than 12 kilometres long. Apollo, at its discretion may restrict travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. If applicable, any further restrictions will be noted at pick-up. Guests can contact Apollo Assist on 1300 798 212 (24h) for any concerns regarding road accessibility.

Returning the Caravan

The Caravan is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The Caravan needs to be returned to the branch in the same condition it was received, with the interior cleaned and holding tanks emptied. The Caravan exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition.

Repairs

We understand that while on holiday the Caravan may require small repairs. So as not to disrupt the road trip any further, if the damage was not caused by you (and you have evidence of that), repairs up to \$100 including GST can be completed without prior authorisation from Apollo and you will be reimbursed. If repairs over \$100 including GST are needed regardless of whom was at fault, the Apollo Assist team should be informed prior to repair being completed.

All Caravans are supported by RACQ roadside assistance and 24hr wheel changing and towing is available if needed, simply contact Apollo Assist on 1300 798 212 (24h).

Infringements, Tolls and Fines

Apollo will pass on any charges you incurred for traffic infringements, toll way or parking fines during your road trip. No one likes unexpected surprises or additional administration fees, so we'll only pass on the exact amount of the fine or charge received.

Animals

We believe fur friends can only make a road trip better and both service animals and pet dogs are allowed to travel in our Caravans with written permission from Apollo obtained at time of booking. There is a \$200 (including GST) pet service fee per booking, this excludes service animals. Our full policy can be viewed on the Apollo website.

Smoking

Our Caravans are a smoke free zone smoking is not allowed in any of our Caravans. If an Apollo staff member detects there has been smoking in the Caravan a \$200 (including GST) cleaning fee will be charged.

Payment at Branch

Apollo accepts Credit card and Debit card for charges paid on Caravan pick-up and drop-off. For security reasons we do not accept cash at the Apollo branch. The Bond is payable at pick-up also by Credit card or Debit card and cannot be paid with a pre-paid Credit card.

Credit Cards

We accept Visa, MasterCard, American Express, Diners Club and Union Pay. The following fees apply for the rental and any additional products (irrespective of chosen account e.g. savings, credit, etc.):

Visa Credit card/MasterCard Credit card	2.0%
Amex/Diners/Union Pay	2.8%

Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

Protection Package

Personal Injury

The Caravan has third party insurance cover and it is likely that any other vehicle involved in an accident also has third-party insurance. Depending on the circumstances of an accident, you may be entitled to claim for your personal injury against the third-party insurance of the party responsible for an accident. The extent of such third-party insurance varies in different States and Territories and Apollo strongly recommends that all passengers also take out their own personal injury travel insurance.

Property Damage

The Caravan is insured for damage to it and damage to the property of a third party. However, you are responsible up to the amount of the applicable liability for damage to third party property, or to the Caravan. You are also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for unused portion of the rental period. The liability applies to each claim, not Caravan.

The liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo by telephone on a credit card, not on return of the Caravan. Apollo reserves the right to charge you for any Caravan damage including Third Party property damage not reported but identified on return of the Caravan.

Liability Options

We understand that everyone has different needs and therefore offer a range of liability options to provide peace of mind. The amount payable for each liability option is based on the minimum rental period or total days of Caravan booking. The maximum charge for liability options is 50 days per rental segment.

The Low Road			The Middle Road		
\$ per day	Bond	Liability	\$ per day	Bond	Liability
Included	\$2500	\$2500	\$25	\$250	\$250

Bond

To keep this simple - the bond payment will depend on the Liability Option chosen. If you choose to take 'The Low Road' the total bond will be debited to the nominated Credit or Debit card immediately. When a Visa or MasterCard Debit card is used a 1% fee will apply, when a Visa or MasterCard Credit card is used a 2% fee will apply or when Amex, Diners or Union Pay is used a 2.8% fee will apply. These rates may change without notice but we will confirm the rate at the time of booking.

If you choose to take 'The High Road' the bond is payable to Apollo by an open signed credit card imprint with an authorisation for \$250/\$500. The credit card holder must be present to sign for the Bond when they pick-up the Caravan and is liable for any damage to the Caravan.

The Bond and associated credit card fee applicable to the bond transaction for Visa or MasterCard is fully refundable provided the Caravan is returned on time to the Apollo branch location booked and there has been no damage to the Caravan. Credit card refunds including Bond refunds can take up to 14 working days depending on your financial institution.

If there is damage to the Caravan on its return or any other terms of the Rental Contract have not been met, the Bond will be used to cover the cost up to the amount of the relevant Liability. If the terms of the rental contract are not met and the Bond is not sufficient enough to cover the damage the Accidents department will advise guests via e-mail or phone of the extra costs and discuss the settlement of claim amount.

If you are continuing on with another Australian Apollo Caravan booking, the Bond can be transferred to the next booking within Australia.

Exchange Rate / Currency Variations

All transactions are conducted in Australian dollars. Due to exchange rate fluctuations, there could be some variance in the amount refunded compared to the amount initially charged. Refunds by credit card can take up to 14 working days depending on your financial institution.

Value Pack

The Value Pack is a bundled extra which provides the highest liability option and basic items necessary for a great road trip. The minimum amount payable per rental for Value Pack will be based on the minimum rental period applicable for your booking. The maximum amount payable per rental segment is 50 days.
